HOBBIES

Reading comics, playing games mostly multiplayer games with friends. Super into Football, been playing it for more than 15 years now.

PROJECTS

Rapid — *Multiplayer* Rapid is a third person perspective multiplayer game. It's a team based game where
you have to eliminate the enemy team.

Coin Collect 2D —
Endless Runner

In this game the player is a revolving ball on a torus and can change direction and collect coins which then can be used to buy cosmetic upgrades.
